Dear Mrs. Weisberg:

Thank you for the reply to my letter and the return of the check. I am enclosing a replacement check to cover a copy of WWIII whenever it is completed.

Believe me, I can appreciate the problems you both are facing as I have been deeply involved with this thing for a long time as well. I would be more than fascinated to hear of any further definite developments (don't worry, I'll buy the books anyway!) and would like to offer my services and assistance in any manner that would fascilitate matters for you and bring the entire matter to a head at an earlier date.

Let's keep in contact at any rate, and anything you can tell me or anything I can do please let me know.

Sincerely,

John Henderson
